

STARS Regional Sponsorship

Constellation and Galaxy Supporters benefit from the option to impact STARS at a higher level through directed support. Supporters can sponsor student scholarships, events, or outreach projects targeted to specific content or locations.

We have included examples below. Please contact us for custom program support available at specific regional institutions.

STARS Celebration Sponsorship

STARS Celebration is an annual leadership conference that facilitates sharing and dissemination of best practices among students, faculty and industry partners across the country. Celebration provides an excellent venue for our STARS Computing Corps students to build leadership skills, exchange program ideas, and collaborate with industry partners and computing professionals, thus fostering the innovators of tomorrow.
